

GAUTAM KUMAR

Salesforce Developer

Bihar, India | +91-9973461945 | gautam.sfdev@gmail.com | [Linkdin](#) | [GitHub](#) | [Trailblazer Profile](#)

Professional Summary

Salesforce Developer and B.Tech (ECE) graduate from Guru Nanak Dev Engineering College, Ludhiana (2026), with hands-on experience in Apex, Lightning Web Components (LWC), Apex Triggers, SOQL, and Salesforce automation tools. Skilled in building scalable solutions on Salesforce CRM, integrating external systems, and optimizing workflows, with a strong foundation in object-oriented programming and cloud platforms. Adept at problem-solving, team collaboration, and delivering real-world Salesforce solutions.

Technical Skills

Salesforce Platform:

Apex, Apex Triggers, Lightning Web Components (LWC), SOQL, SOSL, Salesforce Flows, Agentforce, Salesforce APIs (REST/SOAP), Salesforce Security Model, Data Modeling, Salesforce Configuration & Customization, Reports & Dashboards, Validation Rules, Permission Sets & Profiles.

Other Tools: VS Code, Git/GitHub, Data Loader, Postman, Microsoft Excel, Salesforce CLI (SFDX).

Professional Experience

Salesforce Trainee Developer, Appycrown Private Limited

07/2025 – 01/2026

- Worked on Salesforce Admin and Developer tasks, including object customization, workflows, and automation.
- Designed and developed custom Lightning Web Components (LWCs) for dashboards, surveys, and file management to improve user experience and reporting efficiency.
- Implemented Salesforce–Google Drive integration using Apex callouts and OAuth 2.0, enabling automatic folder creation, file synchronization, and structured storage across Accounts, Leads, and Contacts.
- Automated record-based Google Drive folder assignment and stored folder IDs back in Salesforce custom fields for seamless access.
- Delivered end-to-end solutions for file management, reporting, and customer feedback tracking, streamlining business operations and reducing manual effort.
- Built an AI-powered Library Agent using Salesforce Agentforce to provide book recommendations, data search, and interactive resources.

Salesforce Projects

Google Drive Sync — Salesforce ↔ Google Drive Integration

- Built an automated integration to sync files and maintain a structured folder hierarchy, using Apex batch jobs, custom utilities, and Lightning Web Components to ensure seamless file uploads, folder mapping, and real-time access to synced documents.

Technologies: Salesforce Apex, Lightning Web Components, Salesforce Data Model, Custom Metadata/Custom Fields

Library Agent — AI-Powered Library Assistant

- Used the Agentforce Agent Library to build an AI-powered library assistant for smart book recommendations and data access. Helps users search library data, get suggested books, and access learning resources; integrated structured data and multimedia content to automate library-related tasks.

Technologies: Agentforce, Salesforce

Portfolio Website

- Developed a personal portfolio website to showcase Salesforce projects and certifications, applying responsive design principles for cross-device compatibility.

Technologies: HTML, CSS, JavaScript

Certifications

- [Salesforce Certified Agentforce Specialist](#) 
- Copado Certified Copado AI

Education

Bachelor of Technology - Electronics & Communication Engineering

2022 – 2026

Guru Nanak Dev Engineering College (GNDEC), Ludhiana

Intermediate - Science Stream, Gyan Bharti Senior Secondary School, Gaya Ji(Tekari)

2020 – 2022

Matriculation, Patnacity Central School, Patna

2019 – 2020

Achievements

Participant, Salesforce Admin Group Hackathon 2025, SkillBridge: Salesforce Career Path Advisor Project

30/06/2025

NCC "B" Certificate Holder

01/11/2021
